2026-2027 APPLICATION PACKET FOR FREE AND REDUCED PRICE SCHOOL MEALS

How to Apply for Free and Reduced Price School Meals.
Please use these instructions to help you fill out the application for free or reduced price school meals. You only need to submit one application per household, even if your children attend more than one school in USD 508, Baxter Springs Schools. The application must be filled out completely to certify your children for free or reduced price school meals. Please follow these instructions in order! Each step of the instructions is the same as the steps on your application. If at any time you are not sure what to do next, please contact Misha Gavin, 620-856-2375 / himesm@usd508.org.

PLEASE USE A PEN (NOT A PENCIL) WHEN FILLING OUT THE APPLICATION AND DO YOUR BEST TO PRINT CLEARLY.

STEP 1: LIST ALL HOUSEHOLD MEMBERS WHO ARE INFANTS, CHILDREN, AND STUDENTS UP TO AND INCLUDING GRADE 12

Tell us how many infants, children, and school students live in your household. They do NOT have to be related to you to be a part of your household.
Who should I list here? When filling out this section, please include ALL members in your household who are:

- Children age 18 or under AND are supported with the household's income;
- In your care under a foster arrangement, or qualify as homeless, migrant, or runaway youth;
- Students attending USD 508, regardless of age.

A) List each child's name.	B) Is the child a student at USD 508?	C) Do you have any foster children?	D) Are any children homeless, migrant, or runaway?
Print each child's name. Use one line of the application for each child. If there are more children present than lines on the application, attach a second piece of paper with all required information for the additional children.	Mark 'Yes' or 'No' under the column titled "Student" to tell us which children attend USD 508. If you marked 'Yes,' write the name of the school and the grade level of the student in the 'School' and 'Grade' columns to the right.	If any children listed are foster children, mark the "Foster Child" box next to the child's name. If you are ONLY applying for foster children, after finishing **STEP 1**, go to **STEP 4**. Foster children who live with you may count as members of your household and should be listed on your application. If you are applying for both foster and non-foster children, go to step 3.	If you believe any child listed in this section meets this description, mark the "Homeless, Migrant, Runaway" box next to the child's name and complete all steps of the application.

STEP 2: DO ANY HOUSEHOLD MEMBERS CURRENTLY PARTICIPATE IN FOOD ASSISTANCE, TAF, OR FDPIR?

If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals:

- Food Assistance (FA).
- Temporary Assistance for Families (TAF).
- The Food Distribution Program on Indian Reservations (FDPIR).

A) If no one in your household participates in any of the above listed programs:

- Leave **STEP 2** blank and go to **STEP 3.**

B) If anyone in your household participates in any of the above listed programs:

- Write a case number for FA, TAF, or FDPIR. You only need to provide one case number. If you participate in one of these programs and do not know your case number, contact Kansas Department for Children and Families.
- Go to **STEP 4**.

STEP 3: REPORT INCOME FOR ALL HOUSEHOLD MEMBERS

How do I report my income?

- Use the charts titled **"Sources of Income for Adults"** and **"Sources of Income for Children",** printed on the back side of the application form to determine if your household has income to report.
- Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents.
  - Gross income is the total income received before taxes.
  - Many people think of income as the amount they "take home" and not the total, "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.
- Write a "0" in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write '0' or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials suspect that your household income was reported incorrectly, your application will be investigated.
- Mark how often each type of income is received using the check boxes to the right of each field.

3.A. REPORT INCOME EARNED BY CHILDREN

A) **Report all income earned or received by children.** Report the combined gross income for ALL children listed in STEP 1 in your household in the box marked "Child Income." Only count foster children's income if you are applying for them together with the rest of your household.

What is Child Income? Child income is money received from outside your household that is paid DIRECTLY to your children. Many households do not have any child income.

3.B REPORT INCOME EARNED BY ADULTS

Who should I list here?

- When filling out this section, please include ALL adult members in your household who are living with you and share income and expenses, even if they are not related and even if they do not receive income of their own.
- ***Do NOT include:***
  - People who live with you but are not supported by your household's income AND do not contribute income to your household.
  - Infants, Children and students already listed in **STEP 1.**

B) List adult household members' names. Print the name of each household member in the boxes marked "Names of Adult Household Members (First and Last)." Do not list any household members you listed in **STEP 1**. If a child listed in **STEP 1** has income, follow the instructions in **STEP 3, part A.**	**C) Report earnings from work.** Report all income from work in the "Earnings from Work" field on the application. This is usually the money received from working at jobs. If you are a self-employed business or farm owner, you will report your net income. See detailed instructions on the back of the application. ***What if I am self-employed?*** Report income from that work as a net amount. This is calculated by subtracting the total operating expenses of your business from its gross receipts or revenue.	**D) Report income from public assistance/child support/alimony.** Report all income that applies in the "Public Assistance/Child Support/Alimony" field on the application. Do not report the cash value of any public assistance benefits NOT listed on the chart. If income is received from child support or alimony, only report court-ordered payments. Informal but regular payments should be reported as "other" income in the next part.
E) Report income from pensions/retirement/all other income. Report all income that applies in the "Pensions/Retirement/ All Other Income" field on the application.	**F) Report total household size.** Enter the total number of household members in the field "Total Household Members (Children and Adults)." This number MUST be equal to the number of household members listed in **STEP 1** and **STEP 3**. If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household affects your eligibility for free and reduced price meals.	**G) Provide the last four digits of your Social Security Number.** An adult household member must enter the last four digits of their Social Security Number in the space provided. You are eligible to apply for benefits even if you do not have a Social Security Number. If no adult household members have a Social Security Number, leave this space blank and mark the box to the right labeled "Check if no SSN."

STEP 4: CONTACT INFORMATION AND ADULT SIGNATURE

All applications must be signed by an adult member of the household. By signing the application, that household member is promising that all information has been truthfully and completely reported. Before completing this section, please also make sure you have read the privacy and civil rights statements on the back of the application.

A) Provide your contact information. Write your current address in the fields provided if this information is available. If you have no permanent address, this does not make your children ineligible for free or reduced price school meals. Sharing a phone number, email address, or both is optional, but helps us reach you quickly if we need to contact you.	**B) Print and sign your name and write today's date.** Print the name of the adult signing the application and that person signs in the box "Signature of adult."	**C) Mail Completed Form to:** 1108 Military Ave Baxter Springs, KS 66713	**D) Share children's racial and ethnic identities (optional).** On the back of the application, we ask you to share information about your children's race and ethnicity. This field is optional and does not affect your children's eligibility for free or reduced price school meals.

Income from Self Employment: Self-employed persons may use income tax records for the preceding calendar year as a base to project the current year's net income, unless the current monthly income provides a more accurate measure. Report income derived from the business venture less operating costs incurred in the generation of that income. Deductions for personal expenses such as interest on home payments, medical expenses, and other similar non-business deductions are not allowed in reducing gross business income. Additional income from other kinds of employment must be treated as separate and apart from the income generated or lost from your business venture. For example, if you operated a business at a net loss, but held additional employment for which a salary was received, the income for purposes of applying for reduced price or free meals would be the income from the salary only. The loss from the business cannot be deducted from a positive income earned in other employment.

For purposes of this application, it is not possible to report a negative income from any business venture. The least income possible is zero (no income). The necessary information for arriving at allowable income from private business operation may be taken from your most recent U.S. Individual Income Tax Return - Form 1040, Schedule 1. Add together the amounts reported on the following lines:

Schedule 1, Line 3	$_____	Business Income or (Loss)
1040, Line 7	$_____	Capital Gain or (Loss)
Schedule 1, Line 4	$_____	Other Gains or (Losses)
Schedule 1, Line 5	$_____	Rental real estate, royalties, partnerships, S corporations, trusts, etc.
Schedule 1, Line 6	$_____	Farm Income or (Loss)
TOTAL	$_____	Gross Annual Income Before Any Deductions.
Computed Monthly Income	$_____	Gross Annual Income ÷ 12 = Computed Monthly Income. Report in Step 3.

OPTIONAL — Children's ethnic and racial Identities. This information is kept confidential and may be protected by the Privacy Act of 1974.

We are required to ask for information about your children's race and ethnicity. This information is important and helps to make sure we are fully serving our community. Responding to this section is optional and does not affect your children's eligibility for free or reduced price meals.

Ethnicity (check one): ☐ Hispanic or Latino (A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish Culture or origin, regardless of race) ☐ Not Hispanic or Latino

Race (check one or more): ☐ American Indian or Alaskan Native ☐ Asian ☐ Black or African American ☐ Native Hawaiian or Other Pacific Islander ☐ White

The **Richard B. Russell National School Lunch Act** requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the primary wage earner or other adult household member who signs the application. The social security number is not required when you apply on behalf of a foster child or you list a Food Assistance (FA) Temporary Assistance for Families (TAF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.

CUSTODY LAW NOTIFICATION

Custody disputes must be handled by the courts. By law, if parents are legally separated or divorced, each parent has equal rights to the custody of the children *UNLESS* one of them has a signed court order that indicates otherwise. The school has no legal right to refuse biological parent's access to their children and/or school records.

If a parent has a signed, ***current*** court order limiting the other parent, or any other person, the school *MUST HAVE A COPY* of the court order on file. If a copy is not on file, the school is required by law to release children to their parents with proper identification. Situations that put the welfare of students in question will be handled at the discretion of the Principal/designee. In situations that become a disruption to the school, the Baxter Police Department will be contacted, and an officer will be requested to intervene.

Parents are asked to make every attempt not to involve schools in custody matters. Please have current information on file for your children.

Acceptable Use Policy
(Computers, Networks, & Internet)

The Internet is a tool for life-long learning. It is a necessary tool for Baxter Springs Public Schools to develop students ready to live and work in the 21st Century.

With the privilege of Internet access comes responsibility and accountability. Baxter Springs Public Schools expects that all students using the District network and the Internet services it provides will:

1. Have the permission of their parent or guardian.
2. Agree to abide by the policies and responsible use set forth in the Baxter Springs Public Schools Acceptable Use Policy.
3. Understand the use of the District network and Internet services is a privilege which may be terminated by the school or district for failing to abide by the policies described in the Acceptable Use Policy.

As the parent or guardian of a Baxter Springs Public Schools student we are asking that you review the policy and guidelines set in this Acceptable Use Policy and that you go over the Acceptable Use Policy with your child so that everyone understands and is in agreement.

Privacy is not guaranteed

The Superintendent, principals, and other administrators may review files and monitor all student computer and Internet activity to maintain system integrity and ensure that users are acting responsibility. Teachers and administrators may monitor ongoing student Internet activity to maintain system integrity and ensure that student users are abiding by this policy and are acting responsibly. Privacy is not guaranteed. Electronic messages and files stored on school-based computers may be treated like school lockers.

Use is a Privilege

Use of the network and the Internet is a privilege, not a right. Students violating policies pertaining to standards of conduct or network/Internet use shall be subject to revocation of privileges and potential disciplinary and/or appropriate legal action.

Liability

Baxter Springs Public Schools makes no assurances of any kind, whether expressed or implied, regarding any Internet services provided. The school district will not be responsible for any damages the user suffers. Use of any information obtained via the Internet is at the user's own risk. The school district will not be responsible for any damages users suffer, including -- but not limited to -- loss of data resulting from delays or interruptions in service. The school district will not be responsible for the accuracy, nature, or quality of information stored on school district diskettes, hard drives, or servers; nor for the accuracy, nature or quality of information gathered through school district provided Internet access. The school district will not be responsible for personal property used to access school district computers or network for school district-provided Internet access. The school district will not be responsible for unauthorized financial obligations resulting from school district-provided access to the Internet.

Parental Advisory

The global and changing nature of the Internet network's contents make it extremely difficult for the school district to completely regulate and monitor the information received or sent by students. As such, the school district cannot assure parents that students will be denied access to undesirable materials or sending or receiving objectionable communications. Parents and guardians of students should be aware that some material accessible via the Internet may contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. In addition, it is possible to purchase certain goods and services via the Internet, which could result in unwanted financial obligations for which a student's parent or guardian would be liable. While the school district's intent is to make Internet access available in order to further educational goals and objectives, students may find ways to access other materials as well.

Acceptable Use

The educational value of student Internet access is the joint responsibility of students, teachers, parents and employees of Baxter Springs Public Schools. Since access to the Internet is a valuable and limited resource, students are expected to place a premium on the quality of use. Taking up valuable network resources to pursue frivolous ends, not consistent with the mission of Baxter Springs Public Schools is prohibited. **All use must be consistent with the educational mission and goals of the school district.**

Unacceptable Use for Student Users

- Users shall not use school district computers or networks for purposes of personal profit, any non-instructional, or non- administrative purpose (e.g., activities for personal profit).
