Baxter Springs Public Schools USD 508
iPad Loan Agreement by Student, Parent, and USD 508

Student: _____

iPad Number: _____

Login: _____

Passcode: _____

Item Description	Apple iPad, 6th Generation, 32GB
Serial Number/MAC	
Charger (Apple 12 Volt Charging Box & Lightning Cable)	Yes
School Provided Case	Yes

The above iPad is being loaned to me until I graduate or a replacement is issued. The iPad is in good working order unless otherwise indicated. A new contract will be issued if/when iPad is replaced. It is my responsibility to care for the iPad and ensure that it is retained in a safe environment. A yearly \$40.00 rental fee is assessed to cover the cost of property insurance and if there is a claim for screen (digitizer) damage the student and/or parent are responsible for the \$40.00 deductible, per occurrence. When catastrophic damage occurs (damage or loss in excess of a broken digitizer) the student and/or parent are responsible for the \$100.00 deductible, per occurrence. *The catastrophic deductible will increase by \$25 for each additional occurrence, up to \$150.00, at which time eligibility for iPad rental will be forfeited. This scaling deductible decreases by \$25 per year without claims, to a minimum of \$100.00.* If the loss or damage is not covered by insurance the Student or Parent will pay the full replacement value of the equipment to USD 508.

In addition to the iPad, the above student will be issued an Apple Brand 12 Volt Charging Box & Lightning Cable. To help identify charger boxes, each charger comes with a label. To ensure that students don't "borrow" another student's charger, they must return the charger box issued to them with the label attached. If at any time the label is loose or falls off, they can bring the label and charger box to the tech office where we will attach a new label. However, at the end of the year, if the student tries to return a charger box without a label, we will have to assume that it is not the charger box we issued them and they will be charged \$20 for a new replacement charger box.

(Initial)

This iPad and case is the property of Baxter Springs Public Schools and is being loaned to the student only for educational purposes during the Academic School year. Students may not deface or destroy this property in any way. Inappropriate material on the iPad may result in the student losing their right to use this iPad and potential prosecution. The equipment will be returned to the school on a date determined by USD 508 or sooner if the student is suspended or expelled from school, the Student leaves USD 508 or Student fails to comply with the terms of this agreement or the school's Acceptable Use Policy. Student agrees that in the event the iPad is out of Student's possession for a period of 48 hours or Student believes the iPad has been stolen, the Student will immediately notify a BHS administrator and file a report with Baxter Springs Police Department.

Student is responsible for the cost of replacement or repair of the iPad for any loss not covered by insurance. In addition, Student and Parent agree to indemnify USD 508 against any claim, suit or damage occurring during or resulting from Student's possession or use of the iPad, including, but not limited to any claim for infringement or violation of applicable trademarks and copyrights attributable to Student's use of the District's iPad.

The District's iPad may be used only in accordance with the District's policies and rules, including the District Acceptable Use Policy and the school iPad Policies and Procedures. Student acknowledges and agrees that Student's use of the District's iPad is a privilege and Student acknowledges Student's responsibility to protect and safeguard the District's iPad and to return the same in good condition and repair.

The District hereby acknowledges receipt of the sum of \$10 - \$20 - \$40 for the rental fee, determined by Federal lunch program classification. Student and Parent agree the iPad equipment is to be used only for school purposes and in accordance with USD 508 computer use policies and instruction. If Student fails to return the iPad as provided by this agreement, USD 508 will presume Student intended to retain possession with a criminal intent.

Signing below indicates that you and your child agree to the above terms, including responsibility for the iPad both at school and outside of school.

2026-2027 APPLICATION PACKET FOR FREE AND REDUCED PRICE SCHOOL MEALS

How to Apply for Free and Reduced Price School Meals.

Please use these instructions to help you fill out the application for free or reduced price school meals. You only need to submit one application per household, even if your children attend more than one school in USD 508, Baxter Springs Schools. The application must be filled out completely to certify your children for free or reduced price school meals. Please follow these instructions in order! Each step of the instructions is the same as the steps on your application. If at any time you are not sure what to do next, please contact Misha Gavin, 620-856-2375 / himesm@usd508.org.

PLEASE USE A PEN (NOT A PENCIL) WHEN FILLING OUT THE APPLICATION AND DO YOUR BEST TO PRINT CLEARLY.

STEP 1: LIST ALL HOUSEHOLD MEMBERS WHO ARE INFANTS, CHILDREN, AND STUDENTS UP TO AND INCLUDING GRADE 12

Tell us how many infants, children, and school students live in your household. They do NOT have to be related to you to be a part of your household.

Who should I list here? When filling out this section, please include ALL members in your household who are:

- Children age 18 or under AND are supported with the household's income;
- In your care under a foster arrangement, or qualify as homeless, migrant, or runaway youth;
- Students attending USD 508, regardless of age.

A) List each child's name. Print each child's name. Use one line of the application for each child. If there are more children present than lines on the application, attach a second piece of paper with all required information for the additional children.	B) Is the child a student at USD 508? Mark 'Yes' or 'No' under the column titled "Student" to tell us which children attend USD 508. If you marked 'Yes,' write the name of the school and the grade level of the student in the 'School' and 'Grade' columns to the right.	C) Do you have any foster children? If any children listed are foster children, mark the "Foster Child" box next to the child's name. If you are ONLY applying for foster children, after finishing STEP 1 , go to STEP 4 . <u>Foster children who live with you may count as members of your household and should be listed on your application.</u> If you are applying for both foster and non-foster children, go to step 3.	D) Are any children homeless, migrant, or runaway? If you believe any child listed in this section meets this description, mark the "Homeless, Migrant, Runaway" box next to the child's name and <u>complete all steps of the application.</u>
--	---	---	--

STEP 2: DO ANY HOUSEHOLD MEMBERS CURRENTLY PARTICIPATE IN FOOD ASSISTANCE, TAF, OR FDPIR?

If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals:

- Food Assistance (FA).
- Temporary Assistance for Families (TAF).
- The Food Distribution Program on Indian Reservations (FDPIR).

A) If no one in your household participates in any of the above listed programs: • Leave STEP 2 blank and go to STEP 3.	B) If anyone in your household participates in any of the above listed programs: • Write a case number for FA, TAF, or FDPIR. You only need to provide one case number. If you participate in one of these programs and do not know your case number, contact Kansas Department for Children and Families. • Go to STEP 4.
--	---

STEP 3: REPORT INCOME FOR ALL HOUSEHOLD MEMBERS

How do I report my income?

- Use the charts titled **"Sources of Income for Adults"** and **"Sources of Income for Children"**, printed on the back side of the application form to determine if your household has income to report.
- Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents.
 - Gross income is the total income received before taxes.
 - Many people think of income as the amount they "take home" and not the total, "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.
- Write a "0" in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write '0' or leave any fields blank, you are certifying (promising) that there is no income to report. If local officials suspect that your household income was reported incorrectly, your application will be investigated.
- Mark how often each type of income is received using the check boxes to the right of each field.

3.A. REPORT INCOME EARNED BY CHILDREN			
A) Report all income earned or received by children. Report the combined gross income for ALL children listed in STEP 1 in your household in the box marked "Child Income." Only count foster children's income if you are applying for them together with the rest of your household. <i>What is Child Income?</i> Child income is money received from outside your household that is paid DIRECTLY to your children. Many households do not have any child income.			
3.B REPORT INCOME EARNED BY ADULTS			
Who should I list here? - When filling out this section, please include ALL adult members in your household who are living with you and share income and expenses, <u>even if they are not related and even if they do not receive income of their own.</u> Do NOT include: - People who live with you but are not supported by your household's income AND do not contribute income to your household. - Infants, Children and students already listed in STEP 1.			
B) List adult household members' names. Print the name of each household member in the boxes marked "Names of Adult Household Members (First and Last)." <u>Do not list any household members you listed in STEP 1.</u> If a child listed in STEP 1 has income, follow the instructions in STEP 3, part A.	C) Report earnings from work. Report all income from work in the "Earnings from Work" field on the application. This is usually the money received from working at jobs. If you are a self-employed business or farm owner, you will report your net income. See detailed instructions on the back of the application. <i>What if I am self-employed?</i> Report income from that work as a net amount. This is calculated by subtracting the total operating expenses of your business from its gross receipts or revenue.	D) Report income from public assistance/child support/alimony. Report all income that applies in the "Public Assistance/Child Support/Alimony" field on the application. <u>Do not report the cash value of any public assistance benefits NOT listed on the chart.</u> If income is received from child support or alimony, only report court-ordered payments. Informal but regular payments should be reported as "other" income in the next part.	
E) Report income from pensions/retirement/all other income. Report all income that applies in the "Pensions/Retirement/ All Other Income" field on the application.	F) Report total household size. Enter the total number of household members in the field "Total Household Members (Children and Adults)." This number MUST be equal to the number of household members listed in STEP 1 and STEP 3. If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household affects your eligibility for free and reduced price meals.	G) Provide the last four digits of your Social Security Number. An adult household member must enter the last four digits of their Social Security Number in the space provided. You are eligible to apply for benefits even if you do not have a Social Security Number. If no adult household members have a Social Security Number, leave this space blank and mark the box to the right labeled "Check if no SSN."	
STEP 4: CONTACT INFORMATION AND ADULT SIGNATURE			
<i>All applications must be signed by an adult member of the household. By signing the application, that household member is promising that all information has been truthfully and completely reported. Before completing this section, please also make sure you have read the privacy and civil rights statements on the back of the application.</i>			
A) Provide your contact information. Write your current address in the fields provided if this information is available. If you have no permanent address, this does not make your children ineligible for free or reduced price school meals. Sharing a phone number, email address, or both is optional, but helps us reach you quickly if we need to contact you.	B) Print and sign your name and write today's date. Print the name of the adult signing the application and that person signs in the box "Signature of adult."	C) Mail Completed Form to: 1108 Military Ave Baxter Springs, KS 66713	D) Share children's racial and ethnic identities (optional). On the back of the application, we ask you to share information about your children's race and ethnicity. This field is optional and does not affect your children's eligibility for free or reduced price school meals.

Sources of Income

Sources of Income for Children	
Sources of Child Income	Example(s)
• Earnings from work	• A child has a regular full or part-time job where they earn a salary or wages
• Social Security - Disability Payments - Survivor's Benefits	• A child is blind or disabled and receives Social Security benefits • A Parent is disabled, retired, or deceased, and their child receives Social Security benefits
• Income from person outside the household	• A friend or extended family member regularly gives a child spending money
• Income from any other source	• A child receives regular income from a private pension fund, annuity, or trust

Income from Self Employment: Self-employed persons may use income tax records for the preceding calendar year as a base to project the current year's net income, unless the current monthly income provides a more accurate measure. Report income derived from the business venture less operating costs incurred in the generation of that income. Deductions for personal expenses such as interest on home payments, medical expenses, and other similar non-business deductions are not allowed in reducing gross business income. Additional income from other kinds of employment must be treated as separate and apart from the income generated or lost from your business venture. For example, if you operated a business at a net loss, but held additional employment for which a salary was received, the income for purposes of applying for reduced price or free meals would be the income from the salary only. The loss from the business cannot be deducted from a positive income earned in other employment.

Sources of Income for Adults		
• Salary, wages, cash bonuses • Net income from self-employment (farm or business) If you are in the U.S. Military: • Basic pay and cash bonuses (do NOT include combat pay, FSSA or privatized housing allowances) • Allowances for off-base housing, food, and clothing	• Unemployment benefits • Worker's compensation • Supplemental Security Income (SSI) • Cash assistance from State or local government • Alimony payments • Child support payments • Veteran's benefits • Strike benefits	• Social Security (including railroad retirement and black lung benefits) • Private pensions or disability benefits • Regular income from trusts or estates • Annuities • Investment income • Earned interest • Rental income • Regular cash payments from outside household

For purposes of this application, it is not possible to report a negative income from any business venture. The least income possible is zero (no income). The necessary information for arriving at allowable income from private business operation may be taken from your most recent U.S. Individual Income Tax Return - Form 1040, Schedule 1. Add together the amounts reported on the following lines:

Schedule 1, Line 3	\$ _____	Business Income or (Loss)
1040, Line 7	\$ _____	Capital Gain or (Loss)
Schedule 1, Line 4	\$ _____	Other Gains or (Losses)
Schedule 1, Line 5	\$ _____	Rental real estate, royalties, partnerships, S corporations, trusts, etc.
Schedule 1, Line 6	\$ _____	Farm Income or (Loss)
TOTAL	\$ _____	Gross Annual Income Before Any Deductions.
Computed Monthly Income	\$ _____	Gross Annual Income ÷ 12 = Computed Monthly Income. Report in Step 3.

OPTIONAL

Children's ethnic and racial identities. This information is kept confidential and may be protected by the Privacy Act of 1974.

We are required to ask for information about your children's race and ethnicity. This information is important and helps to make sure we are fully serving our community. Responding to this section is optional and does not affect your children's eligibility for free or reduced price meals.

 Race (check one or more): ☐ American Indian or Alaskan Native ☐ Asian ☐ Black or African American ☐ Native Hawaiian or Other Pacific Islander ☐ White

The **Richard B. Russell National School Lunch Act** requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the **primary wage earner** or other adult household member who signs the application. The social security number is not required when you apply on behalf of a foster child or you list a Food Assistance (FA) Temporary Assistance for Families (TAF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.

Acceptable Use Policy (Computers, Networks, & Internet)

The Internet is a tool for life-long learning. It is a necessary tool for Baxter Springs Public Schools to develop students ready to live and work in the 21st Century.

With the privilege of Internet access comes responsibility and accountability. Baxter Springs Public Schools expects that all students using the District network and the Internet services it provides will:

1. Have the permission of their parent or guardian.
2. Agree to abide by the policies and responsible use set forth in the Baxter Springs Public Schools Acceptable Use Policy.
3. Understand the use of the District network and Internet services is a privilege which may be terminated by the school or district for failing to abide by the policies described in the Acceptable Use Policy.

As the parent or guardian of a Baxter Springs Public Schools student we are asking that you review the policy and guidelines set in this Acceptable Use Policy and that you go over the Acceptable Use Policy with your child so that everyone understands and is in agreement.

Privacy is not guaranteed

The Superintendent, principals, and other administrators may review files and monitor all student computer and Internet activity to maintain system integrity and ensure that users are acting responsibly. Teachers and administrators may monitor ongoing student Internet activity to maintain system integrity and ensure that student users are abiding by this policy and are acting responsibly. Privacy is not guaranteed. Electronic messages and files stored on school-based computers may be treated like school lockers.

Use is a Privilege

Use of the network and the Internet is a privilege, not a right. Students violating policies pertaining to standards of conduct or network/Internet use shall be subject to revocation of privileges and potential disciplinary and/or appropriate legal action.

Liability

Baxter Springs Public Schools makes no assurances of any kind, whether expressed or implied, regarding any Internet services provided. The school district will not be responsible for any damages the user suffers. Use of any information obtained via the Internet is at the user's own risk. The school district will not be responsible for any damages users suffer, including -- but not limited to -- loss of data resulting from delays or interruptions in service. The school district will not be responsible for the accuracy, nature, or quality of information stored on school district diskettes, hard drives, or servers; nor for the accuracy, nature or quality of information gathered through school district provided Internet access. The school district will not be responsible for personal property used to access school district computers or network for school district-provided Internet access. The school district will not be responsible for unauthorized financial obligations resulting from school district-provided access to the Internet.

Parental Advisory

The global and changing nature of the Internet network's contents make it extremely difficult for the school district to completely regulate and monitor the information received or sent by students. As such, the school district cannot assure parents that students will be denied access to undesirable materials or sending or receiving objectionable communications. Parents and guardians of students should be aware that some material accessible via the Internet may contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. In addition, it is possible to purchase certain goods and services via the Internet, which could result in unwanted financial obligations for which a student's parent or guardian would be liable. While the school district's intent is to make Internet access available in order to further educational goals and objectives, students may find ways to access other materials as well.

Acceptable Use

The educational value of student Internet access is the joint responsibility of students, teachers, parents and employees of Baxter Springs Public Schools. Since access to the Internet is a valuable and limited resource, students are expected to place a premium on the quality of use. Taking up valuable network resources to pursue frivolous ends, not consistent with the mission of Baxter Springs Public Schools is prohibited. **All use must be consistent with the educational mission and goals of the school district.**

Unacceptable Use for Student Users

- Users shall not use school district computers or networks for purposes of personal profit, any non-instructional, or non-administrative purpose (e.g., activities for personal profit).
- Users shall not use a computer for unlawful purposes, such as the illegal copying or installation of software, or violation of copyright laws.
- Users shall not erase, rename, or make unusable anyone else's computer files, programs or disks.
- Accessing another person's materials, information, or files without the implied or direct permission of that person is prohibited.
- Users shall not use or try to discover another user's password.
- Users shall not copy, change or transfer any software or documentation provided by the school district, teachers, or another student without permission from the superintendent or his designee.
- Users shall not write, produce, generate, copy, propagate, or attempt to introduce any computer code designed to self-replicate, damage, or otherwise hinder the performance of any computer's memory, file system, or software. Such software is often called a bug, virus, worm, Trojan Horse, or similar name.
- Users shall not deliberately use the computer to annoy or harass others with language, images, or threats.
- Users shall not deliberately access or create any obscene or objectionable information, language or images.
- Users shall not intentionally damage the system, damage information belonging to others, misuse system resources, or allow others to misuse system resources.
- Users shall not tamper with computers, networks, printers or other associated equipment except as directed by the teacher or the superintendent or his designee.
- Users shall not take home technology equipment (hardware or software) without permission of the supervisor.
- Users shall not gain unauthorized access to resources or entities.
- Users shall not invade the privacy of individuals.
- Users shall not post anonymous messages.
- Users shall not use the network for commercial or private advertising. The Internet, web pages, and other technology shall not be used for private or commercial offerings of products or services for sale, or to solicit products or services or to raise funds for non-district related activities or organizations.
- Users shall not use the network while access privileges are suspended or revoked.

The Baxter USD 508 School District will rely on the opinion of the laboratory that performed the confirmation test in determining whether the positive test result was produced by other than consumption of an illegal drug, performance-enhancing drug, or alcohol. The principal, assistant principal and the athletic director, will make the decision within five working days.
- i. This decision may be appealed in writing to the Baxter USD 508 School District's superintendent within five days. The superintendent will make a written decision within five working days.

The Baxter USD 508 School District will rely on the opinion of the laboratory that performed or analyzed the additional drug use test in determining whether a positive result in the additional drug test was produced by illegal or performance-enhancing drugs used by the student that caused the first positive result or by more recent use. The cost of the retest will be the obligation of the student or the parent custodial guardian.
- l. All parents or guardians of students who test negative for illegal drugs of performance-enhancing drugs in the initial screening will be contacted by personnel of the Baxter USD 508 School District within five working days after testing.
